MISS ANNE KLEINSASSER

As one passes through the portals of Room 213, he has the feeling of stepping up from a high school to a college level. From this level, Anne Kleinsasser, head of the English Department at Washington Senior High School since 1958, guides her students along the often rocky paths of English Literature and Developmental Reading. These subjects are demanding, as college preparatory courses should be, but, under the spirited leadership of Miss Kleinsasser, they come alive, become vibrant and mentally stimulating, and take their rightful places among the most informative and interesting courses offered at Washington High. It is, then, because of her devotion to her profession and to her students that we dedicate this, the 1961 WARRIOR, to Miss Anne Kleinsasser.

Miss Frances Flint

Teacher, Counselor, and Friend

*"If I can stop one heart from breaking,  
I shall not live in vain;  
If I can ease one life the aching,  
Or cool one pain,  
Or help one fainting robin  
Unto his nest again,  
I shall not live in vain."*

# BOARD OF EDUCATION

SEATED L. TO R.: RICHARD FLINT, CHARLES GREGG, LUCILE SCHIRMER, PRESIDENT; PAUL REAGAN, REVEREND SELMER HEEN. STANDING L. TO R.: EDWARD SKARDA, CARL HERMANN, J. F. CRESSEY, ROBERT TRUSLER, CLAUDE HAMILTON.

To you, the graduates of 1961, the Board of Education offers congratulations and a fervent wish that your lives may be fruitful and happy. You are moving out into a world that is complex and unsettled, yet interesting and extremely challenging.

Never before in history has man had so many opportunities for a rich and rewarding life. We hope that you go forward to meet these opportunities and challenges with optimism, with an appreciation for the lessons of history, with a love for our wonderful country, with sympathy for your fellow man, and above all with a feeling of your own responsibility toward making this a better world.

If at all possible, continue your education — and it can be possible if the desire is strong enough. But if you feel that you have come to the end of your formal education, determine to use well what you have learned, keep an open mind, continue to read, to listen, and to grow.

Wherever you go as you take your place in life, our best wishes go with you; you are important to us and to this community. God go with you.

PRINCIPAL BEN ROSSOW

The principal's duties are many and varied. He is responsible for everything that takes place in the school and is vested with power from the Board of Education. Mr. Rossow, our principal, but above that our friend.

Efficient Mrs. DeBoer is the secretary to the principal.

Miss Davies, registrar, maintains student records and handles correspondence pertaining to them.

Our assistant principal, Mr. Menzel, arranges schedules for students and keeps attendance records for the entire school. One of his more unpleasant tasks is disciplining students.

# *Class*

## *Sophomore Year*

As sophomores in 1958, we entered the doors of learning, those of Washington Senior High School. First to head our class with the help of Mr. Tabor, we elected our Sophomore class officers: John Odney, President; Bill Hahn, Vice-president; Bill Willard, Secretary, and Tom Wegner, Treasurer. Our first Sweetheart candidate was the dignified Margaret Ann Drey. Marlene Rance added sparkle to our first Hi-Y Carnival. Happiness reigned when John Odney was announced as our Spinster candidate. Close on the heels of Spinster came the Sophomore picnic at Tuthill Park. Remember the fun we had!

## *Junior Year*

After peeking through the keyhole at our sophomore year, let us go on to our junior year. Under the leadership of Mr. Schwartz, our Junior Class Adviser, and our Junior Class Officers: Dan Westerlund, President; Bruce Roningen, Vice-president; Gretchen Odney, Secretary, and Bill Driver, Treasurer, the Junior Class Party with its theme "Swinging on a Star" was a success. As our vivacious Hi-Y candidate, Andi Leraan, was chosen, our feelings were those of joy. Excitement prevailed as Joyce Dahl was chosen as our Sweetheart candidate. Next comes our man with the assorted talents, Dave Solberg, who was chosen as our Spinster candidate.

# *History*

## *Senior Year*

As we near the end of our journey, we entered our long awaited senior year. To lead us in this last year we have Mr. Hoover as our class adviser. We elected to lead the many activities Tom Austin, Gretchen Odney, Cheryl Wierenga, and Jim Overocker as President, Vice-president, Secretary, and Treasurer, respectively. As seniors our first activity was Orange Letter Day, which began with the Talent Show, MC'd by Dave Solberg. After a great deal of wondering, John Odney and Adell Westensee were crowned as Royalty of 1960. Andrea Leraan, Gretchen Odney, Marlene Rance, Cheryl Wierenga, Tom Austin, Jim Mann, Bruce Roningen, and Dan Westerlund made an outstanding Court of Honor. Snow accompanied Santa at the Senior Christmas Party. "Symphony 1961" typified our class at the Senior Banquet. As the year progressed the girl with a smile, Mickey Devick, was crowned Hi-Y Queen. Sparkling Lupe Saavedra was a wonderful Sweetheart. As the senior year ends, our keyhole clouds over, but the memories are never to be forgotten by us, the Class of 1961.

## Junior Class

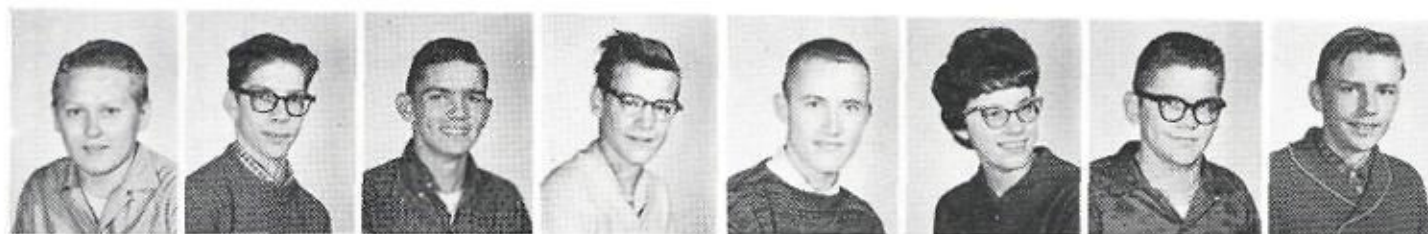

The junior class partied March 6, 1961, at 8:00 P.M. Despite the big toes on the feet that marched up and down the walls, decorators couldn't disguise the good old "caf." It was generally agreed that the talent show, emceed by witty Jim Jackson, was one of the best ever. The Jades, an outstanding instrumental group, rocked through a current hit, "Walk, Don't Run." The mood was sophisticated as Jim Kattke and Dave Swart crooned "Scotch and Soda." The wonderful memories of "Our Year to March" will surely march on in the heart of the junior class.

Lloyd Taplett, who was transferred here from Whittier just a few days ago, is still looking for guilty faces for a clue as to who could have sent him a telegram, "Congratulations on your liberation." He said the typing department will never be the same. He received the telegram during the first session of teachers' workshop.

How about all you Indians turning out in full force for our football newsgame tonight!! See us! all at Howard Wood St.

### *Mr. and Miss Typical*

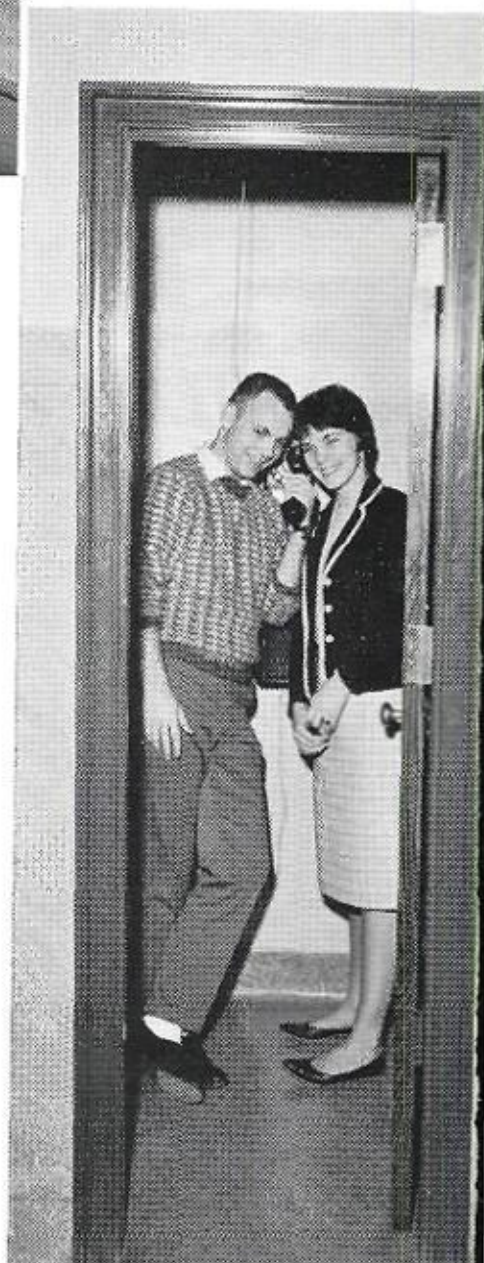

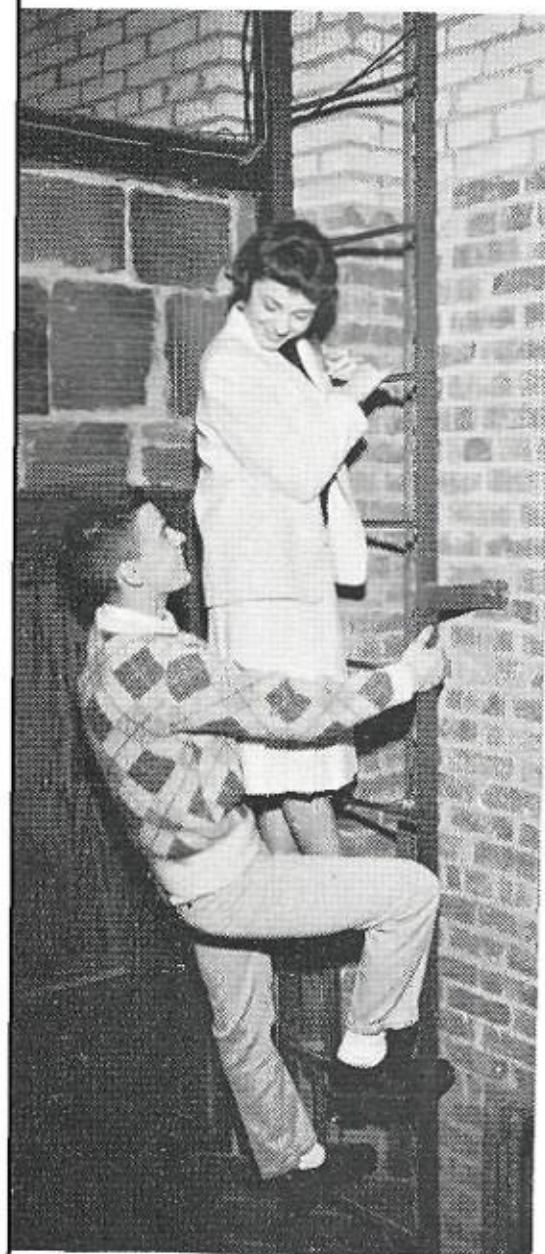

### *Typical Sophomores*

The class of 1963 invaded W.S.H.S. seven hundred strong in August, 1960. They were destined to become part of the large student body after a few weeks of nervous adjustment.

Emerging as a class from the entire student body for something more exciting than an achievement test, they rose up, shortly after the semester break, and chose ten typical representatives who are pictured here.

## THE CURIOUS SAVAGE

The story of *The Curious Savage* centered around a wealthy woman who was placed in a mental institution by her three stepchildren. Each of the patients grew to love her. Mrs. Savage converted all of her wealth into negotiable bonds and hid them in her pet teddy bear. When the bonds were burned by one of the patients, the stepchildren left her alone. After much soul-searching, Mrs. Savage decided to stay at the institution, where she had many friends.

# WASHINGTON SENIOR HIGH SCHOOL CHORUS

Director Boyd Bohlke

Each year the WSHS chorus, of which the faculty and students alike are justly proud, presents two concerts. One concert is given at Christmas time; this year Mr. Bohlke, chorus director, devised a "singing cross." Among the selections sung were "O Holy Night," "A Manger Holds an Infant Pure," and "Adoramus Te Christe."

The second concert is scheduled in the spring. In addition to these concerts, the chorus sings for all the civic clubs in the city during the Christmas season and for Baccalaureate exercises.

The members of the chorus, under the direction of Boyd L. Bohlke, rehearse on Tuesday nights as well as during their daily classes. This year thirty-eight of the one hundred and thirty members were invited to All-State Chorus.

# WASHINGTON SENIOR HIGH SCHOOL ORCHESTRA

Under the baton of Paul Fialkowski, the orchestra has provided many musical moments this year. In addition to two out-of-town concerts, they have played at all four Sioux Falls Junior High Schools, a Christmas concert and a Spring concert for the Senior High School, and have furnished the background music for the Orange Letter Day Ceremonies.

# ***WASHINGTON SENIOR HIGH SCHOOL BAND***

Director Ardeen Foss

Our 150 piece band is the pride of every student and teacher at WSHS. The precision of their half-time drills at football games presents a stirring view.

Our band is present at nearly every school event. They provide accompaniment for many of the acts in the OLD Talent show. The strains of "Onward, Sioux Falls" being played by the pep band at the basketball games encourage everyone to sing along. In many of the Sioux Falls parades we are represented by their fine performance. This year they also played at the National Plowing Contest held in the fall.

A special "Pops" concert was played this year. Among the numbers played were "Dixieland Jamboree" and "Dance of the Hours." A spring concert to which the public was invited also entertained us.

This group is directed by Ardeen Foss.

## CHEERLEADERS

Providing pep at school football and basketball games and at pep meetings, our "A" and "B" squad cheerleaders typify Warrior spirit. Six sophomores chosen by the student body lead the "B" team in junior year. As seniors they lead cheers at all "A" team games.

### A-SQUAD

## PEP CLUB

Under the leadership of its six-member board, the WSHS Pep Club promotes school spirit at athletic events. This year, having 675 members makes Pep Club the largest of all school-sponsored organizations. Black sweatshirts with the orange emblem make it easy to identify Pep Clubbers, who sit together in a special section. New this year to the organization is a card section, composed of juniors and seniors. Pep Club advisers are Keith Morrill, Rosalie Johnson, and Peter Torino.

## TWIRLERS

During the half-time of our football and basketball games, the twirlers provide entertainment for the fans. Their form and precision are commendable. At the games, they often perform skits, in addition to their regular twirling. They also precede the band during parades.

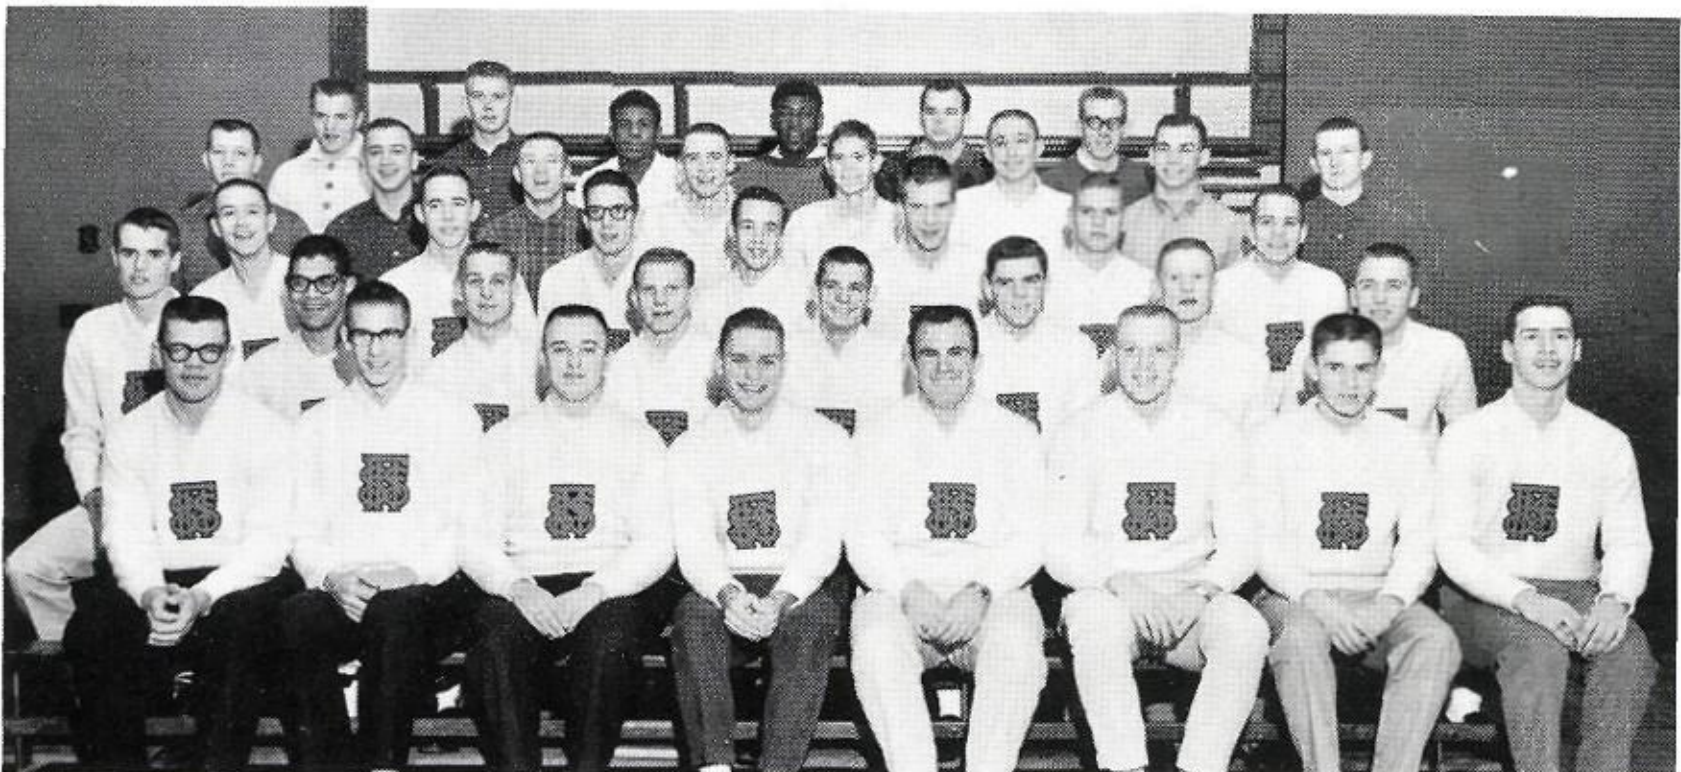

## MONOGRAM CLUB

Membership in Monogram Club is contingent on earning the official WSHS monogram for participation in the varsity athletics, football, basketball, track, golf, tennis, or cross country. The members wear white sweaters with SFHS letters. Included in their activities are sponsorship of a Monogram Club dance and a social hour. They also assist in the operation of several athletic contests held in Sioux Falls. Wally Diehl is the adviser of Monogram Club.

Excelling in almost every division the 1960 Warrior track team, coached by Elmer Hansen, offered overpowering competition to a great majority of its opponents. The team had several meets throughout the season at which they placed very well if not in first place. For their fine showing in field events, credit should be given to Bob Norton, Mickey Groshart and Bill Willard. This year's squad had a number of good undermen including such performers as Dick Callahan, Ron Brue, Bill Anderson, Jan Kubicek, Ron Jacobson, Ron Pearson, John Odney, and Bill Hahn.

## Hans & Hardware

The 1960 track captain, Dick Callahan, and the 1961 co-captains, John Odney and Bill Hahn, are shown with Coach Hansen and some of the "hardware" the State "A" champs picked up during the spring of '60. Callahan holds the state championship trophy, won for the 8th straight time.

Trophies from the Pierre Relays, the Howard Wood Relays, and other meets are shown with the State trophy.

## SOPHOMORES SHOW PROMISING POTENTIAL

1st row, l. to r.: Neil Munson, Jon Hanson, Sam McBain, Jim Brix, Bob Stovald, Ray Horner, Harold Witt, Bob Fritzell, Dave MacNally, Cliff Hammers, Jim Kattke, Kurt Anderson, Denny Doorn.

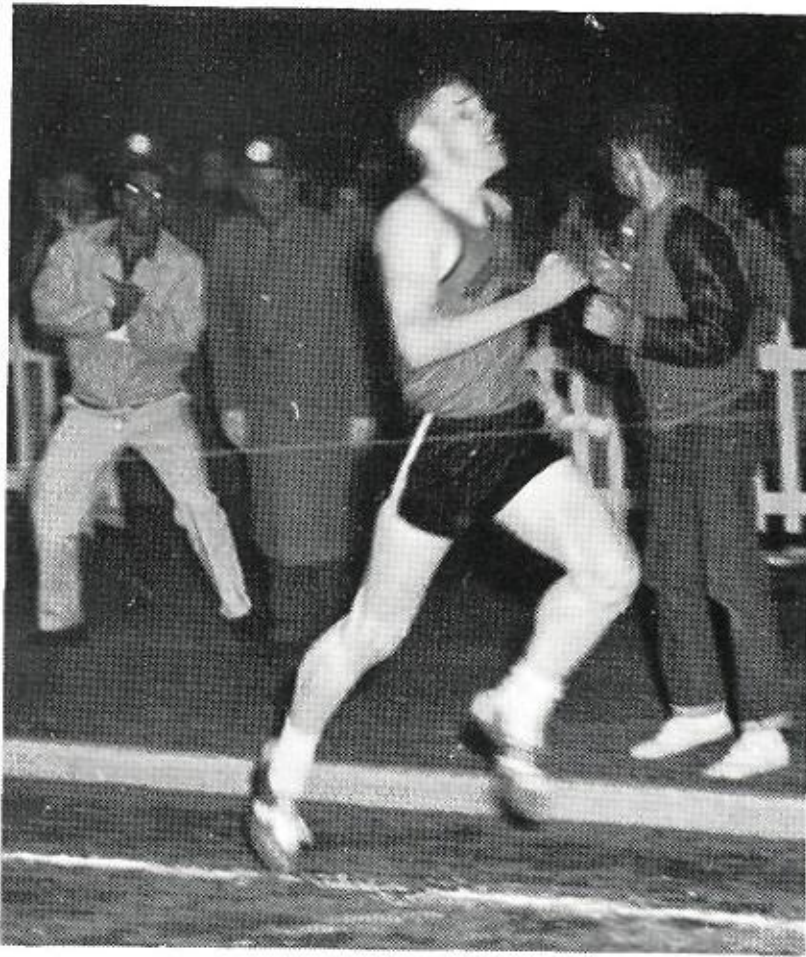

Kneeling: Ken Smith, Jim Cindrich, Jim Pryde, Fred McCurnin, Tom Lavin, Bob Hurwitz, Jose Egan.

Standing: Dick Aasen, Lloyd Schrader, Dale Schmuck, LeRoy Halstenson, Ronnie Rowe, Dale Jibben, Bruce Boyd, Gary Scott, Barry Rush, Steve Nord, Don Namanny, Larry Brunick, Rod Steele, John Brewick, Richard Ross, Frank Smith, Steve McGreevy, Dave Swart, Andrey Blumberg, Wally Werner, Terry Petheram, Phil Person.

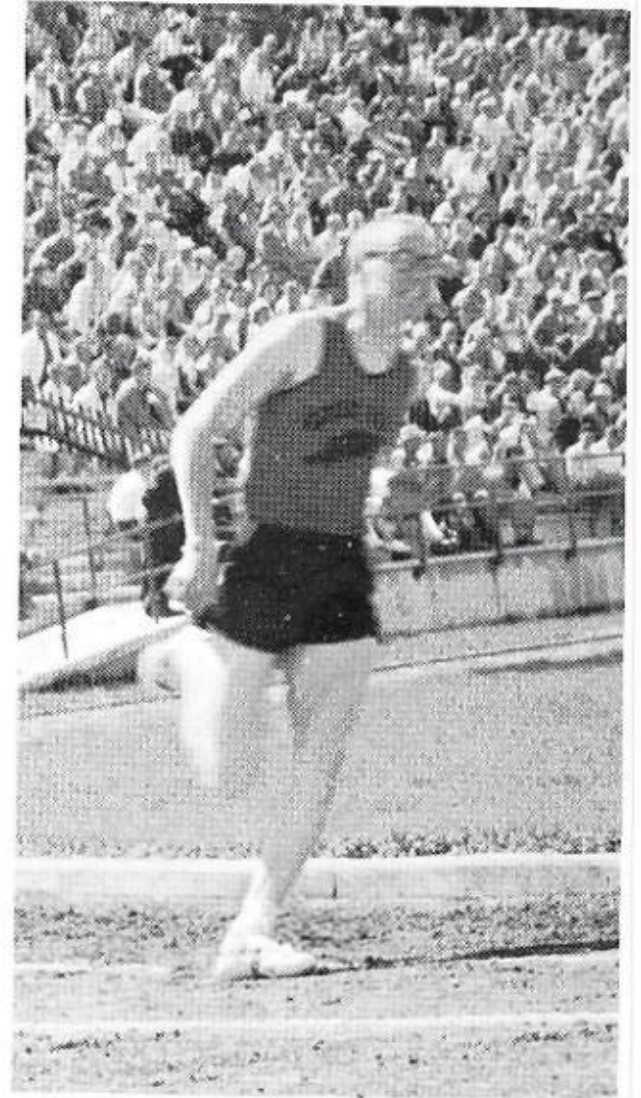

Participating as a team in three different meets, the sophomore track squad showed great potential for their next years in high school. Although competing against varsity teams at both the Flandreau and Madison meets, the little sophs did very well in placing second at Flandreau, with Bob Fritzell placing first in the hundred yard dash and Harold Witt doing the same in the pole vault. At the Sioux Falls Sophomore Track Invitational the sophomores had little trouble in capturing first place. Those receiving monograms for their outstanding achievements were Don Breit, Bob Fritzell, Barry Rush, Dale Jibben, Harold Witt, and Jim Cindrich.

## Outstanding Warrior Trackmen

Having another great season in track, versatile Dick Callahan ended his last year of high school with many honors for himself and for his team. Team captain Callahan ran the 440 and 880 yard dashes and he also ran anchor on the one and two mile relays. During the South Dakota State Track Tournament, Dick took first place in the 880 yard run. Time, 2:00.3.

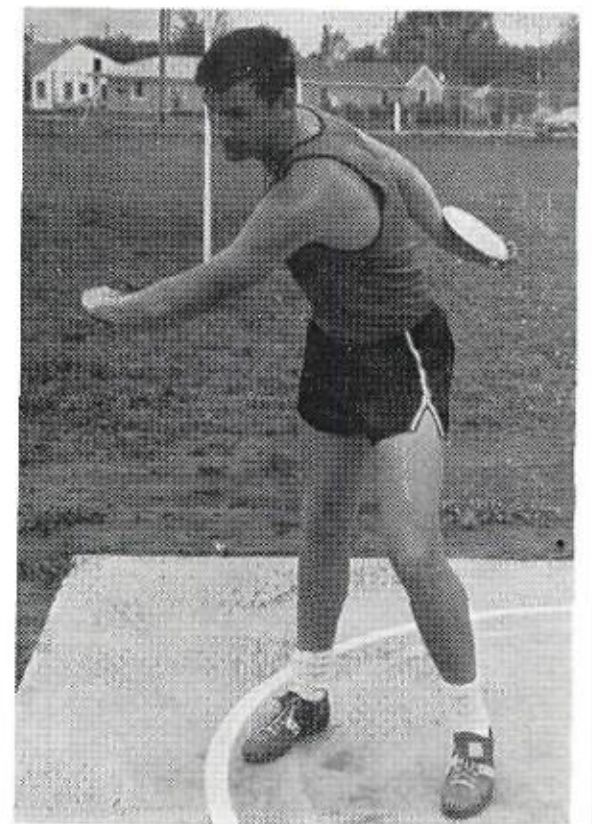

The most consistent of the Warrior relay men was little Ron Brue. Making this his specialty, Ron ran on the one and two mile relays, the sprint medley, and the 880 yard relay. During the state meet Ron ran first position on the 880 yard relay team, the only relay team from Sioux Falls to place first.

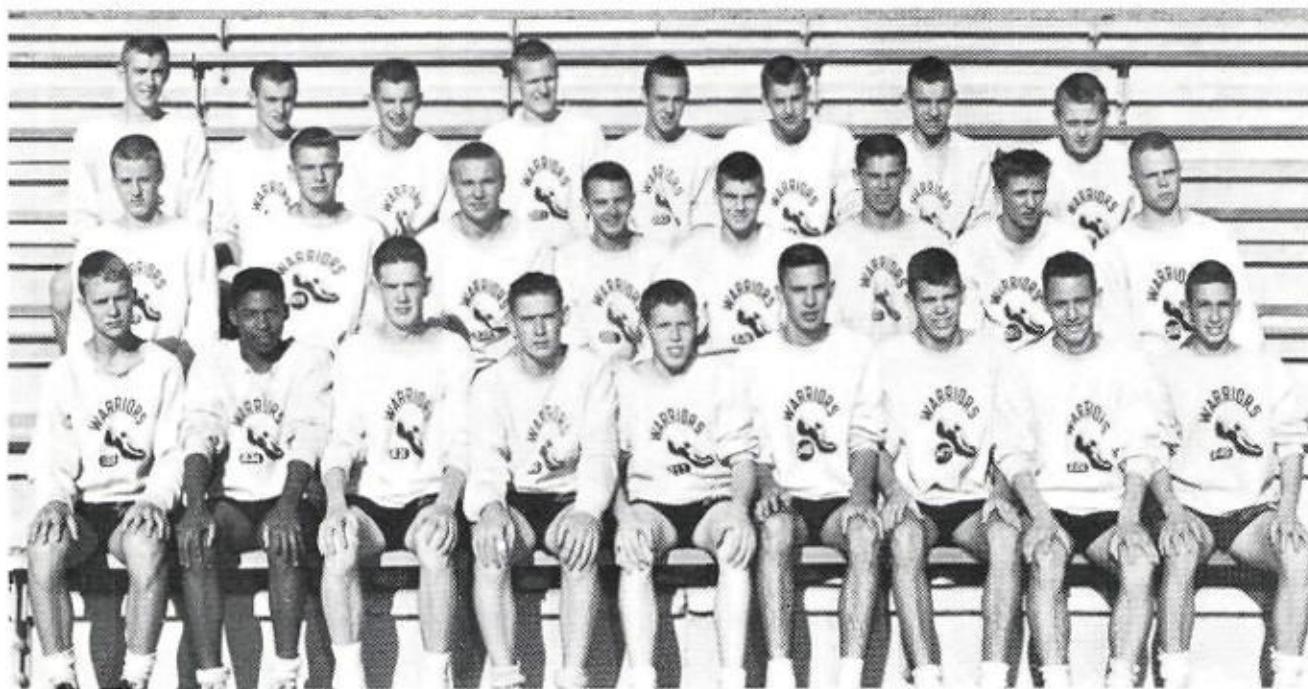

With superb skill and form, Mickey Groshart gained the first position in the broad jump at many meets. Although his jump of 21' 11" did not break any records it could not be equalled by any other high school jump in South Dakota this year. Finishing strong Mickey placed first at the state meet with a 20' 5" jump.

Powerful Bob Norton, shown here preparing for a discus throw, gained recognition as discus thrower and also as a shot putter. At the All School Invitational in Sioux Falls, Bob threw the shot 45' 10" to take first place in that event. During the state meet he threw the discus 168' 8½", setting a new state meet record. His longest throw of 170' 8" gained him the distinction of holding the all-time South Dakota prep record for discus throwers.

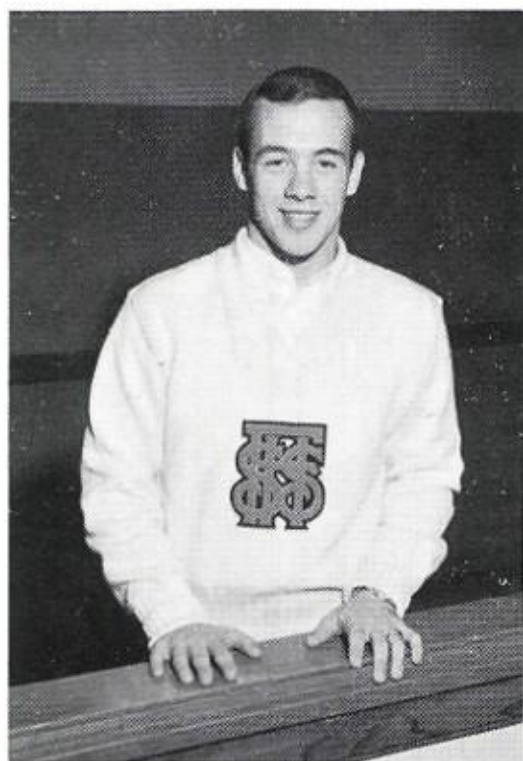

## Fall Tracksters Prepare for Spring Track

L. to r.: Dave Solberg, Kenny Smith, Dennis Hight, Melvin Hoff, Jerry Fjilseth, Ron Pearson, Barry Rush, Bob Fritzel, Darrel Rasey. 2nd row: Jon Hansen, Roger Engel, Eldon Anderson, Ray Harris, Dave Arneson, Harold Witt, Dale Jibben, Terry Engelland. 3rd row: Larry Nelson, Don Foster, Wally Werner, Jon Madland, Don Breit, Rick Klawiter, Ron Keith, Dick Aasen.

The least talked about or heard about sport in our school is fall track. Every night during the football season these boys run from two to three miles or more. Because there are so few track meets held for these boys a lot of credit is given to those who go out and keep in shape. The six-man squad of Bob Fritzel, Jon Madland, Barry Rush, Bob Harris, Dennis Hight, and Don Breit won the cross country event at Lennox. Don Breit was the only boy on the squad to receive a monogram this year.

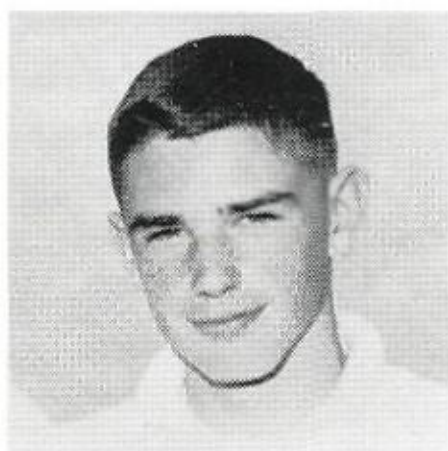

Showing a great deal of endurance in his long distance running, Don Breit performed well for this year's fall track team. During the Sioux Falls, Yankton, Rapid City Meet, Don placed first in the cross country running. At the two remaining meets, Lennox and Sioux City, he placed first and second respectively. Although not placing first at the State meet, Don did place close to the top. Don also was the only member to receive a monogram in fall track.

Bill Erickson, a former Washington High School track star, is shown here pacing the fall tracksters and cross-country runners. Bill also participated in fall track while he attended Washington High and placed well in the long distance events. He graduated from Washington High in 1955 and since then has made a bigger name for himself in the field of track.

## Golfers Triumph

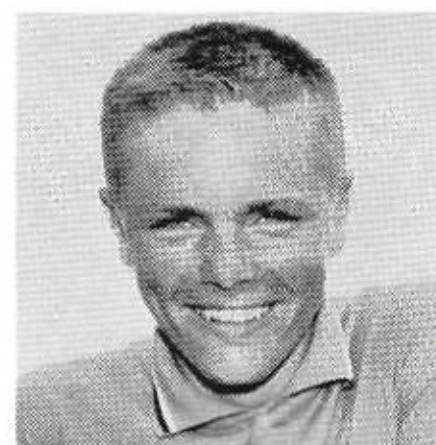

Keel Coddington

The 1960 SDHSAA Golf Championship Playoff was held last May at the Minnehaha Country Club course in Sioux Falls with a total of seventy-eight entries. The Washington Senior High School threesome of Alan

Cooke, Byron Comstock, and Keel Coddington placed first, second, and third respectively. Alan Cooke nosed out Byron Comstock by four strokes, 145 to 149, and Keel Coddington by eight strokes, giving Keel a 153. Terry Comstock, a sophomore, also placed very well with a score of 160, earning him sixth place. Byron and Al combined their scores to give Washington the team championship with a 294.

## Fischer-Weber Take All

Tom Weber, Fred Fischer

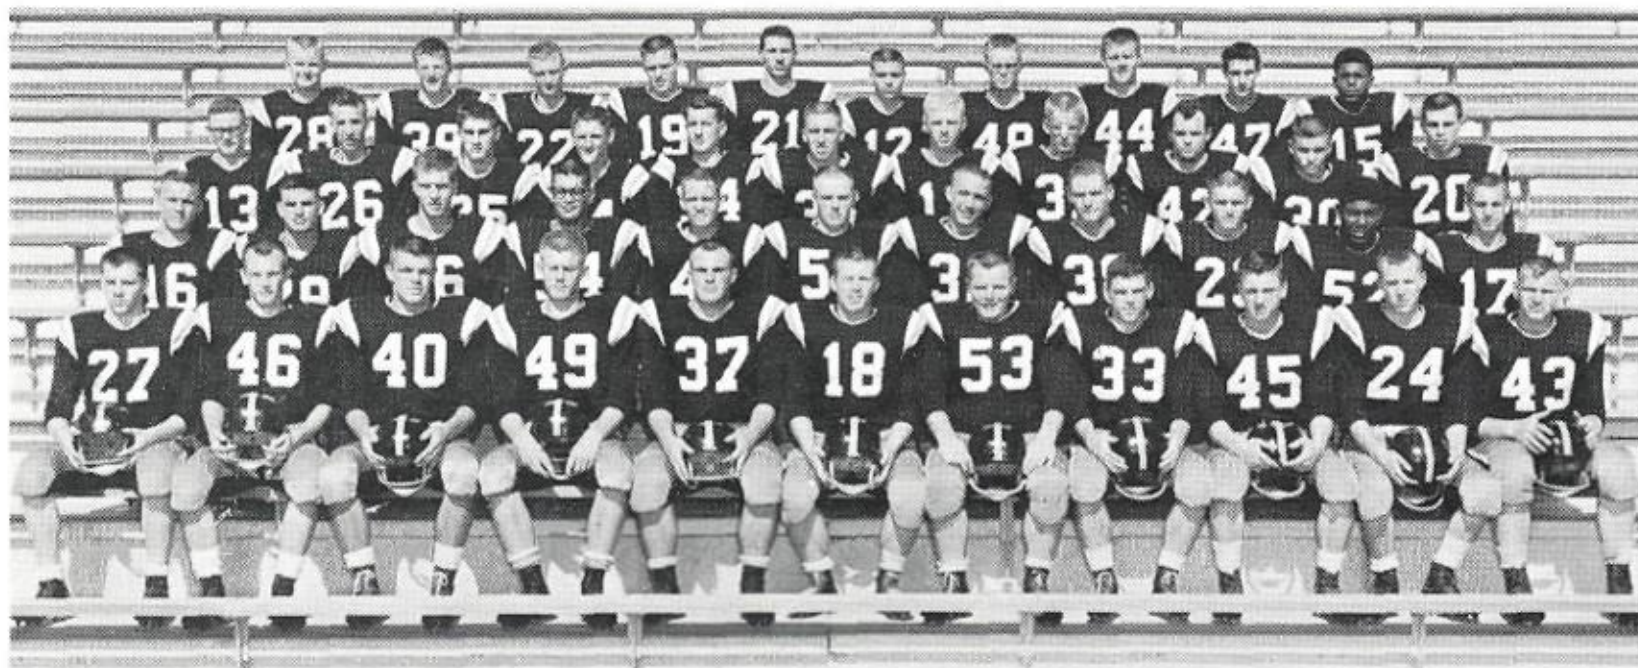

The Washington Senior High School tennis team of Fred Fischer and Tom Weber made a complete sweep of the 1960 Tennis Tournament held here. In the play-off for singles championship, Tom and Fred paired off against each other and Fred won by a close margin, 6-4, 6-3. Together, they teamed up to trounce Aberdeen for the doubles championship, 6-4, 6-2.

## W. S. H. S. GRIDDEERS UNDEFEATED IN 9 GAMES

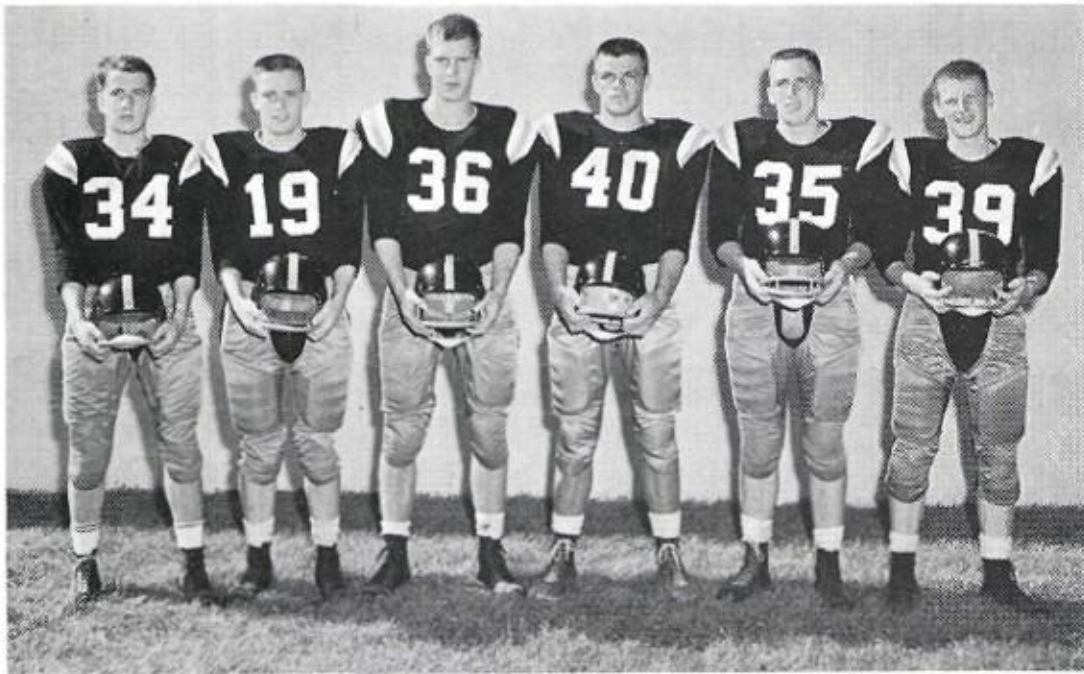

Although plagued this year by an unusual number of player injuries, a strong reserve strength provided the needed power and spark to carry the Warrior griddeers to their first undefeated season since 1956 and a rating of 14th in a national high school poll. The 27-6 win over Fort Dodge climaxed a decade which saw the Warriormen compile a remarkable 88 wins and 8 losses. The '60 grid campaign began by whipping the cross-town rivals, Cathedral, 45-0. One of the closest games of the season was played at Fargo. The Heckenlively crew squeaked by the Midgets 14-13. The Sioux Falls fans saw the sophomore backs go to work as the Orange and Black bumped the Aberdeen Golden Eagles to a 49-6 victory. Trailing Rapid City 7-6 in the first half of play, the locals uncorked a ground attack to stun the Cobblers 26-7. The Sioux City East Black Raiders fell in turn as Dan Westerlund kicked five conversions and Bill Hahn and John Odney scored five TD's between them. The final gun sounded to a 35-7 victory for the Warriors! Another "Squeaker" came at the hands of an under-rated Sioux City Central team. The little Maroons battled all the way but lost 14-7. On the 38th annual homecoming, WSHS met a high ranking Boys Town Cowboy team from Nebraska. Scoring in the first half was limited to one touchdown apiece, 7-7. After the intermission, the Warriors were aroused by a blocked punt which enabled the Warrior win, 14-7, in one of the most exciting games of the season. A rain-soaked field and a disputed touchdown didn't help either Sioux City Heelan or Sioux Falls as they battled to a 6-6 tie.

The '60 grid season climaxed the coaching career of Grant Heckenlively who plans to go into school administration. It is sure that the new head football coach, Dick Day, will follow in the same inspiring footsteps of his predecessor. Mr. Day takes over after 4 years as assistant coach. Hopes for next season run high, supported by such stand-outs as Gary Swain, Rich Harris, LeRoy Halstenson, Ray Horner, Steve McGreevy and Jim Breit.

## 4 Warriors on State "AA" Team

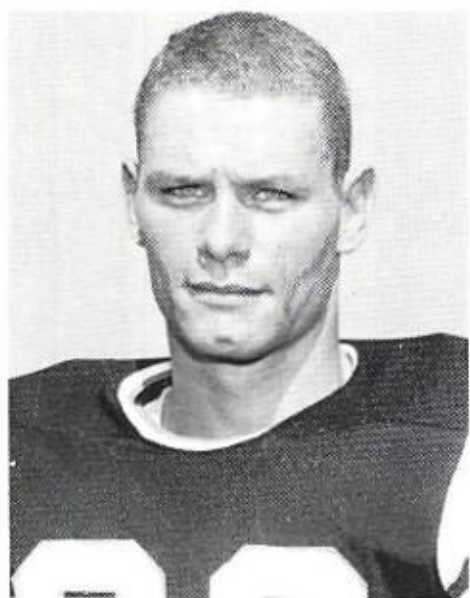

Lyle Farrand

Lyle Farrand, Gary Neuharth, John Odney, and Dan Westerlund composed one-third of the State "AA" first team.

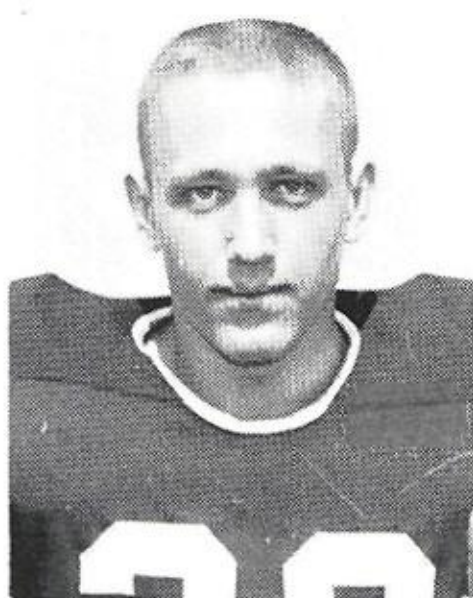

Lyle, who was known mainly for his tough line play and rugged defensive maneuvers, holds the center position. Gary occupies a guard spot on the first team to illustrate the 60-minute man. Although injured in the Sioux City Central game, John Odney showed running ability early in the season to earn a slot for himself. The versatility of the Warrior offensive attack manifested itself in its multi-talented Dan Westerlund who led the Orange and Black with his educated play calling and his passing arm.

### Sophomore Summary

Playing a rugged 5 game schedule and losing only 2, the little Warriors showed a surprising combination of speed and power. The back-field weathered a heavy loss after Stan Brue and Luymes suffered broken arms early in the season.

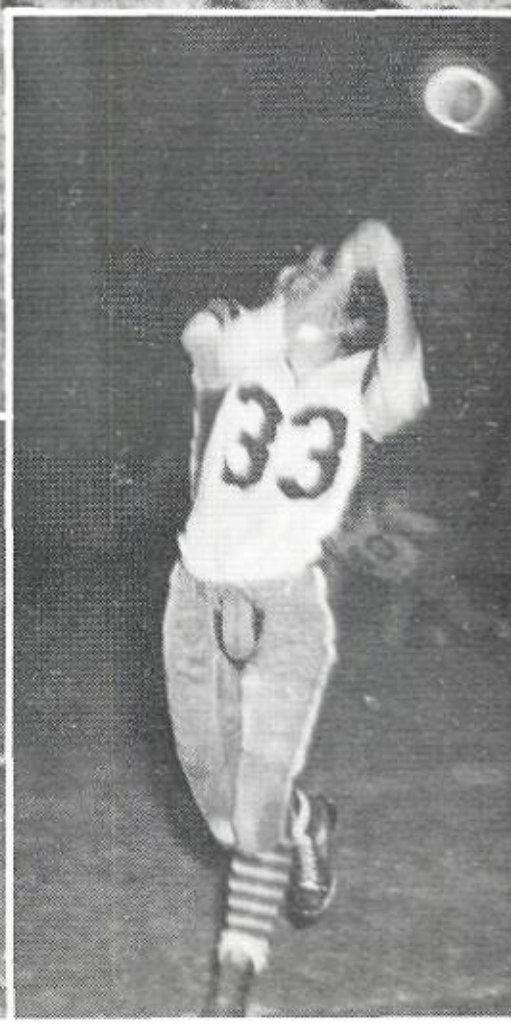

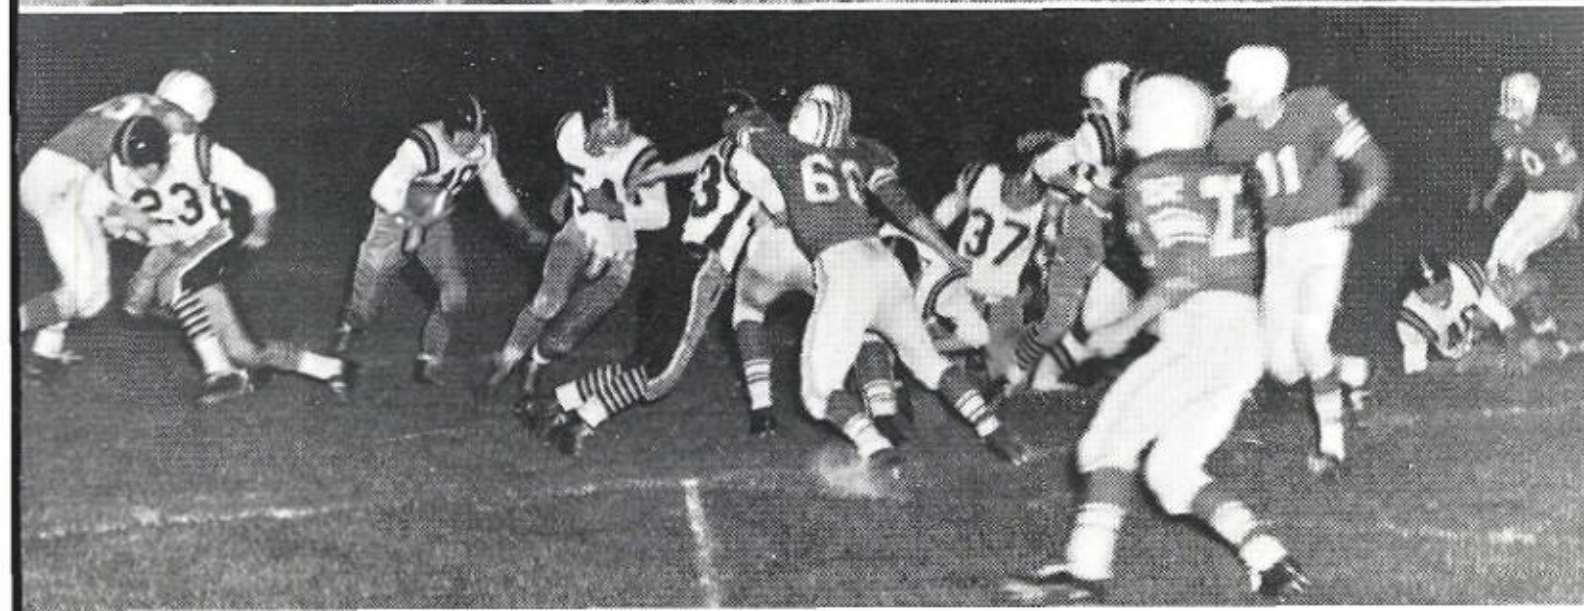

Beating perennial toughies like Watertown, Cathedral, and Sioux City East, the sophs fell before the Flandreau Indian varsity and Sioux City Central.

Coach Bob Caselli had high praise for backs, Stan Brue, Dave Luymes, Robert Egge, Charles Roberts, and linemen Paul Evans, John Lee, Dean DeVault, Douglas Tellinghuisen, Jim Clark, and Leslie Brandhagen.

## Warriors End Season With 14-5 Record

In a smashing 70-36 victory over Yankton, the Warriors ended the season with a 14-5 record and captured the ESD crown again. The Orange and Black sped through the first five games, defeating Sioux City East, Watertown, Aberdeen, Huron and Mitchell. The victory string was snapped, however, by two defeats, 48-34 and 39-37, at the hands of Rapid City. The Warriors then defeated five consecutive opponents: Madison, 57-47; Yankton, 64-54; Brookings, 66-51; Watertown, 69-57; and Aberdeen, 51-49. In the four games which followed, the WHS cagers dropped three to Sioux City Central, 61-54; Huron, 40-35; and Mitchell, 57-55. Dan Westerlund tied the Brookings game with ten seconds left in regulation play, and the Warriors jumped back into the win column by defeating the Bobcats, 67-61 in overtime. WHS finished the 1961 season like champions, defeating Madison, 68-46; Cathedral, 54-45; and Yankton, 70-36.

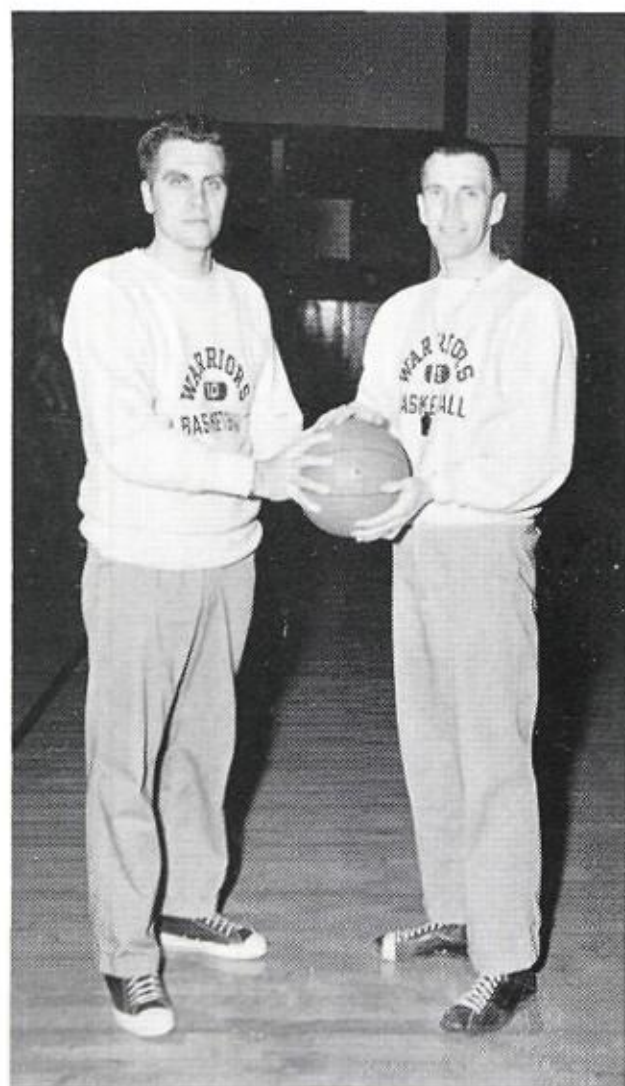

Row 1, l. to r.: Student managers; Lyle Farrand, Jim Mann, Leo Papas, John Odney, Bill Hahn, Dan Westerlund, Student Manager Richard Olson. Row 2: Jim Falor, Wally Werner, Terry Comstock, Dave Fennig, Larry Brunick, Bill Bruns, Bruce Roningen, Bill Willard, Jim Lewis.

## WARRIORS WIN THIRD PLACE

The Warriors climaxed an impressive tournament series by copping third place in the State Tournament classic held in the Huron Arena. The Bauermen started on the road to a State "A" berth by downing Mitchell 70-58 and Canton 62-28 in the district playoffs at Yankton. The sub-state crowds saw the Orange and Black earn a slot on the upper bracket for the state tourney by battering the Yankton Bucks to a 67-42 defeat and crushing the Scotland Highlanders 79-47.

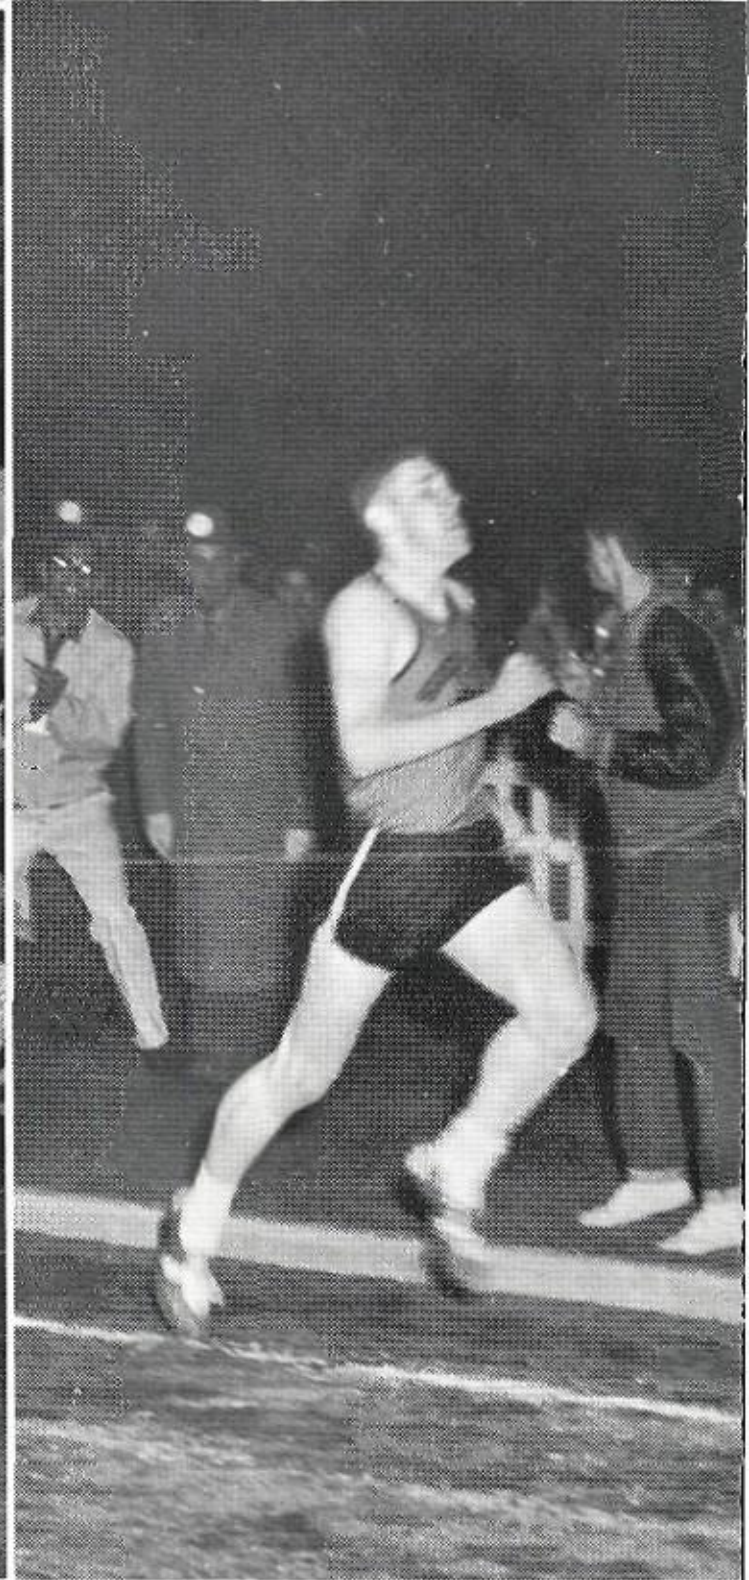

At Huron, the Warriors gained the semi-final round by squeaking past the Brookings Bobcats 57-54. Aberdeen, led by Tom Malchow, edged the ESD champs 38-36, which enabled the Warriors to defeat Belle Fourche 58-50, and win their second third place in two years.

Bill Bruns won a spot on the All-Tournament first five with 12 votes cast by coaches and officials. Dan Westerlund received nine votes which placed him on the All-Tournament second five. Bill Willard and John Odney were placed on the honorable mention list.
